

# “A Great Wall”

A Learning Guide

Second Edition

A volume in the Film Guides for Students of Chinese series

---

Filmed in China, the Peter Wang motion picture *A Great Wall* chronicles the experiences of a Chinese-American family during an extended visit with relatives in Beijing. Entertaining and rich in cross-cultural insights, the film is well suited both for teaching Chinese language and culture and for stimulating class discussion.

This learning guide is prepared especially for students at an intermediate level. Prerequisite to its use is proficiency in the basics of Chinese grammar and vocabulary. The text has been divided into ten sections for convenient study, with each section containing a portion of the script, a list of new vocabulary words for each scene in that section, sample sentences for the vocabulary, and exercises.
